How to Select and Take a Course

Open an internet browser and go to this link to log in – enter your Email address and password in the LOG IN section (this assumes that you have an account):

<https://collabornation.net/login/projectrise>

Project RISE generously funded by **The Children's Trust**

Welcome to Learning 2.0

If you **have ever attended** a Project RISE Training, your account has been transferred to this new system. You **do not** need to create an account. Log in using your first and last name as one word for the username (Example: AnaSmith is the username for Ana Smith) with temp123 as the password.

If you **have never attended** a Project RISE Training you will need to create a new account.

Your email address and password will be used to log in to your account. Your email will also be used for any notifications.

Passwords are required to be at least 5 characters in length and are case sensitive.

By clicking Create Account, you agree to our [Terms](#) and that you have read our [Privacy Policy](#).

Create Account

When you log in you will be on the My Courses page. To view the course listings, click on the Course Catalog tab. The top of your screen will have a menu bar.

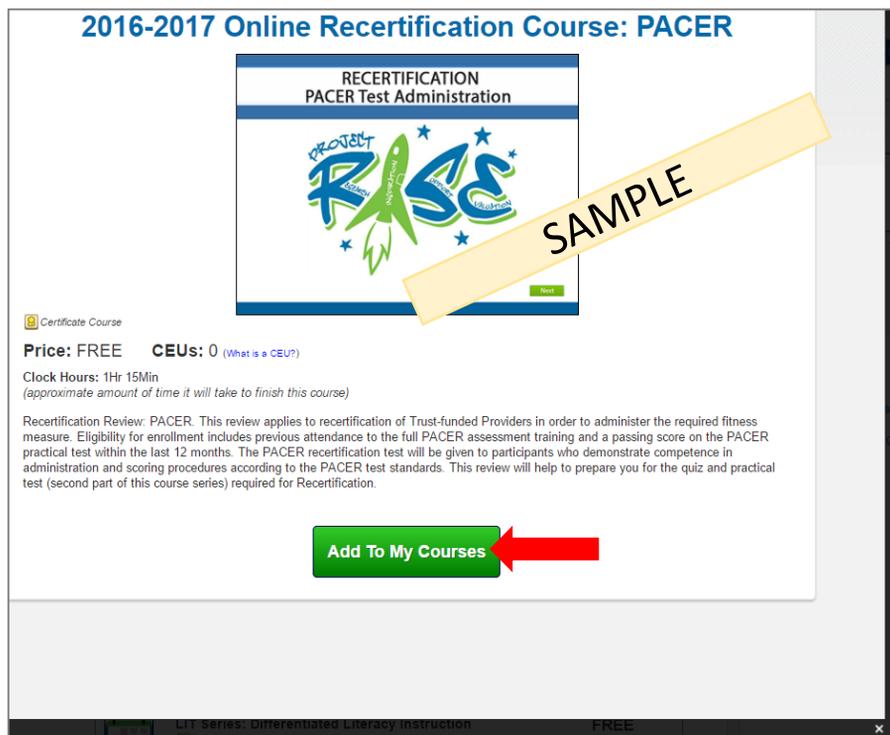

Click on the Course Catalog tab.

To read about a course, click the Learn More button. Sample:

You will see a description next and the Add To My Courses button. If you do not want the course you are reading about, click the white X at the bottom right to return to the catalog listing.

Before you begin to take a course, please visit the System Requirements link to see if your computer's programs need to be updated to ensure the best environment for a smooth-running course.

Either copy this link into your browser address bar: <https://collabornation.net/system-requirements>

Or click on the link at the very bottom of the screen after logging in:

Here is what the System Requirements page looks like. If anything is highlighted in yellow or red it is a signal to update a program.

Requirement	Status
Browser	Firefox 35.0
JavaScript	Enabled
Adobe Flash	16.0.0

To ensure the best user experience, please click on the 'Test Bandwidth' button to launch a sample course. Click through the course to ensure that your bandwidth is appropriate for viewing courses.

[Test Bandwidth](#)

Browser: We support Internet Explorer 7 and higher and Mozilla Firefox.

- Download the latest version of Internet Explorer at <http://windows.microsoft.com/en-us/internet-explorer/products/ie/home>
- Download the latest version of Mozilla Firefox at <http://www.mozilla.org/en-US/firefox/new/>

JavaScript: JavaScript must be enabled in your browser.

- If JavaScript is disabled, you can find instructions to enable it on <http://enable-javascript.com/>

Adobe Flash: Must be Flash Player 8 or higher.

- Download the latest version of Adobe Flash Player at <http://get.adobe.com/flashplayer/>

Adobe Reader: Courses may contain attachments to view or fill out outside the course. You need a PDF reader to view them

- Download the latest version of Adobe Reader at <http://get.adobe.com/reader/>

Change your password and/or email address:

Click on the **Account Settings** menu item and complete the form, scroll to the bottom and click the **Save** button:

Visit our Support Hub to access other information or submit a ticket if after regular business hours:
