The screenshot shows the WAZA Learning 2.0 website. At the top right is the WAZA logo with the text "World Association of Zoos and Aquariums WAZA | United for Conservation®". The main heading is "Welcome to Learning 2.0". Below it is a paragraph: "The World Association of Zoos and Aquariums Online Professional Development Center Collaborative Learning Environment® provides an interactive peer-to-peer learning environment to allow you to communicate, spread ideas, share resources, discuss topics and learn in a safe environment." To the right is a "LOG IN" section with an "Email" input field, a "Password" input field, a "Forgot Password?" link, and a blue "Enter" button. Below the login section is an "OR" separator and a green "Register Now" button. On the left side of the main content area, there are three icons with corresponding text: a computer monitor icon for "Access interactive training such as individual courses, instructor-led classes, and specialized webinars with complete results reporting"; a person icon for "Interact with like-minded professionals as you learn together in team-based projects"; and a document icon for "Organizations can create their own private networks and give their staff access to unique training opportunities".

Zoonotic Disease and Biosecurity

Price: FREE
Course Duration: 3Hr
(approximate amount of time it will take to finish this course)

This course is designed to teach concepts and principles of zoonotic disease, biosecurity, and infection control as they specifically apply to animal care personnel. You will learn the factors necessary for disease transmission, and how those factors can be combated through proper cleaning, disinfecting, and use of Personal Protective Equipment. These topics are essential for working safely in a zoological environment.
